H O M E

My love of beautiful textiles led me to build a rock-solid global reputation in the home goods industry. For more than three decade my company, Orchids has designed, manufactured and supplied to major retailers and wholesalers for the home internationally. Today I have realized a career-long dream of creating the ultimate lifestyle brand to share my vision of "Orchids Lux Home". We have gathered some of the most talented, well-known designers and lifestyle experts to complete that dream. Orchids Lux Home presents an ongoing and an ever-growing collection of textiles and furniture that would add luxury, comfort, and style to a home. My commitment to our clients is that, our goods would continue to be exceptional in quality and elegantly sophisticated.

Style you can trust...

FOR EVERY DAY.

Our bedding is timeless, fitting in with the current season, next year, and beyond. They're all stunning, stylish, adaptable, and classically simple. We don't believe in design for the sake of design; we prefer simple, comfortable, and long-lasting.

DUVET BRONTE CHARCOAL

Artfully loomed, our Bronte collection of duvet and shams are a masterfully woven jacquard creating a modernistic version of the classic art deco pattern with a washed look. The dense, cross hatched Jacquard creates a subtle pattern in a mélange of muted colors, while the fabric's weight ensures a gracious drape.

A woman with dark hair is sitting on a bed, reading a book. She is wearing a light-colored, short-sleeved, button-down shirt with a small floral pattern. The bed has white linens and a striped pillow. In the background, there is a window with sheer curtains and a vase of white lilies on a bedside table. The room has green paneling on the wall.

Treat yourself...

TO A LITTLE LUXURY

Finishing touches near your bed look lovely and can also help you sleep better by sending a "time-to-wind-down" message to your body. Make your own bedtime routine...Switch on a bedside lamp. Spritz pillows with a lavender spray that is naturally relaxing. Put on some lovely hand cream and curl up with a good book.

QUILT MAUI ALOE

The Maui Quilt, as its name suggests takes its inspiration from the famous Hawaiian Island of Maui, also known as "The Valley Isle". The island is loved for its beaches, views of migrating humpback whales and farm-to-table cuisine. An organic ambiance of the island inspired the creation of this bedding which is an all over self-on-self stitching and a luxurious soft blend of cotton velvet backed with cotton linen. An unusual stitch pattern adds style and just the right amount of texture giving it a perfect drape.

Why We Love

LOTS OF TEXTURE

I completely agree! The texture of fabrics in our homes can make a huge difference in how comfortable and relaxed we feel. It's amazing how something as simple as a cozy blanket or soft coverlet can completely transform a space and make it feel warm and inviting. When choosing fabrics for my bedroom, I always think about how they will feel against my skin and aim for a mix of textures to add depth and interest.

Our Avalon coverlet and shams are a great layering for all seasons. This lightweight cool comfort, 400 thread count sateen weave LYOCCELL, is a solid reversible coverlet and is a perfect addition to your bedroom. It's a new age fabric woven in harmony with nature, whose unique structure creates an optimal skin climate. The overall style is understated yet elegant, for easy versatility. The natural breathability of LYOCCELL, keeps it cool during the summer and keeps you pleasantly warm when the temperature drops. Lyocell is a sustainably sourced fibre that uses 11 times less water as compared to cotton and also is a natural regulator of temperature. STANDARD 100 by OEKO-TEX® Certified

We believe in...

COMFORTABLE SLEEP

It's so true that having a comfortable bed and a beautiful bedroom is so important for getting a good night's sleep, which is crucial for our health. It re-energizes our body and mind. I believe that our bedroom should be a sanctuary to unwind, rest, and relax, and that our bed should be a long-lasting investment. Personally, I have tried so many different types of bed products like sheets, duvets, quilts, coverlets, blankets, and throws, in search of the perfect combination of quality and aesthetics.
